No other provision of this Agreement or any other document the Company may ask the Client to sign and no statement the Company may ask the Client to make derogates from this Clause 4.19.

5. MARGIN AND FUNDING

- 5.1 The Company may from time to time at its discretion permit the Client, subject to the maintenance with the Company of such level of Margin (the “**Margin Requirement**”) and such other conditions specified by the Company from time to time, to purchase or subscribe for such securities as the Company may from time to time agree without the full receipt of the funds required for such purpose. The Client agrees to maintain at all times sufficient Margin as determined by the Company at the Company's discretion. The Company may require, from time to time, additional Margin to meet the Margin Requirement for the relevant transactions and the Client shall on demand pay such additional Margin by

means of cash, securities or in such form and/or amounts acceptable to the Company and within such time as may be determined by the Company to be payable by the Client or by the Company on the Client's behalf in respect of such Margin or any other payment in connection with any transaction in securities entered into on the Client's behalf or entered into with the Client (as the case may be) under the terms of this Agreement.

- 5.2 In the event that the Margin provided is, in the Company's opinion and for any reason (including, without limitation, the circumstances set out in Clause 5.4), no longer sufficient to meet the Margin Requirement, the Company may take such action as the Company in its discretion deem fit, including without limitation, making a Margin call to the Client and/or realising such part or all of the Margin as the Company deems necessary to satisfy the Client's obligations without notice to or consent from the client or the collateral provider.
- 5.3 Where a Margin call is made by the Company with respect to an Account, the time for payment of such Margin is of the essence. The Client shall immediately make payment for any Margin call made by the Company unless a later time is specified by the Company in the Margin call. The Client also agrees to pay immediately in full and on demand any amount owing with respect to any Account. All initial and subsequent deposits and payments for Margin and other purposes related to such Margin shall be made in cleared funds and in such currency and in such amounts as the Company may in its sole discretion require.
- 5.4 For the purposes of this Clause 5, the Margin provided may, in the Company's opinion, no longer be sufficient to meet the Margin Requirement as a result of or in connection with, without limitation, the following circumstances: call may, without limitation, be made by
- 5.4.1 change or prospective change in the local, national or international monetary, financial, economic or political conditions or foreign exchange controls which may result in or is, in the opinion of the Company, likely to result in a material or adverse fluctuation in the stock market, currency market, commodities or futures markets in Hong Kong and/or overseas;
or
- 5.4.2 a change or prospective change having a material adverse effect on the condition or operations of the Client.
- 5.5 Notwithstanding Clauses 5.1 and 5.3, in the event that the Company is unable to contact the Client to make demands to the Client for additional Margin pursuant to this Clause 5 for any reason, the Company shall be deemed to have made Margin calls in such form and/or such amount as the Company may in its sole opinion determine where such Margin call has been issued by the Company (verbally or in writing) to the Client's last registered email address, telephone or mobile phone number or other any contact method as the Company considers appropriated at the time, and such Margin shall become immediately due and payable by the Client.

- 5.6 The Company shall be entitled to revise Margin requirements from time to time in its absolute discretion. The applicable margin requirements, related interest charges, margin calls and collateral arrangements will be set out in separate product information, transaction statement or other document applicable to such Account. The Client shall be granted financial accommodation of up to such percentage as may be agreed from time to time of the market value of the collateral maintained with the Company. No previous Margin requirements shall establish a precedent and revised requirements once established shall apply to existing positions as well as to the new positions in the contracts affected by such revision.
- 5.7 For the avoidance of doubt, failure by the Client to meet Margin calls made by the Company or any other amounts payable under the Agreement by the time prescribed by the Company or as otherwise provided under the Agreement, shall give the Company the right (without prejudice to its other rights), without notice to or the separate consent of the Client, to (a) close the Account(s), (b) close out any position in the Account(s) (as the case may be), and/or (c) dispose of any or all securities held for or on behalf of the Client, and to apply the proceeds and any cash deposit(s) to pay the Company all outstanding balances owing to it by the Client. All monies remaining shall be refunded to the Client.
- 5.8 Nothing in this Agreement shall be construed as taking away or affecting any lawful claim, lien or other rights and remedies which the Company may have in respect of any money held in any Account pursuant to Clause 13 or in respect of any money received or paid into such Account.
- 5.9 For the avoidance of doubt, if a debit balance arises on any Account(s), the Company shall not be, nor shall the Company be deemed to be, obliged to make available or continue to make available any financial accommodation to the Client. Without prejudice to the obligations of the Client in respect of any debit balance which the Company does permit to arise on any of the Client's Account(s), the fact that the Company permits a debit balance to arise in any Account(s) so debited shall not imply any obligation on the part of the Company to advance any monies or incur any obligation on the Client's behalf on any subsequent occasion. .
- 5.10 Any securities deposited or otherwise provided by or on behalf of the Client to the Company shall constitute securities collateral in favour of the Company from the Client with respect to any Margin call.

6. SETTLEMENT

- 6.1 Unless otherwise agreed in writing by the Company, in respect of each sale and/or purchase transaction of securities executed on behalf of the Client, the Client shall by such time and date as prescribed and notified (whether verbally or in writing by the Company to the Client) (i) make payment to the Company against delivery of securities purchased by the Company on the Client's behalf against a credit to the Account(s) for the securities purchased by the Company on the Client's behalf, or (ii) deliver the securities sold by the Company on the

 - 18.4.2 shall not affect the Company's right to dispose or initiate a disposal by itself or the Company's associated entity of the Client's securities or securities collateral in settlement of any liability owed by or on behalf of the Client to the Company, the associated entity or a third person.
- 18.5 Where the Client is:
- 18.5.1 a Professional Investor, the Client Standing Authority shall be valid until revoked by the Client in accordance with Clause 18.7; or
 - 18.5.2 not a Professional Investor, the Client Standing Authority shall be valid for a period of up to 12 months from the date of execution of the Account

Opening Form and shall expire on 31 December each year, subject to renewal by the Client in accordance with Clause 18.8

- 18.6 The Client understands that a third party may have rights to the Client's securities or securities collateral, which the Company must satisfy before the Client's securities or securities collateral (as the case may be) can be returned to the Client.
- 18.7 The Client may revoke the Client Standing Authority by giving written notice addressed to the Customer Service Department at the Company's address specified in the Account Opening Form or such other address which the Company may notify the Client in writing for this purpose. Such notice shall take effect upon the expiry of fourteen (14) days from the date of the Company's actual receipt of such notice.
- 18.8 The Client understands that and agrees that upon the expiry of the Client Standing Authority (where applicable), such authority shall be deemed to be renewed for a further period of twelve (12) months on a continuing basis without the Client's written consent if the Company issues a written notice to the Client reminding the Client of the impending expiry of the Client Standing Authority at least fourteen (14) days prior to the expiry date of the Client Standing Authority, and the Client does not object to such deemed renewal before such expiry date.

19. ELECTRONIC SERVICES

- 19.1 Unless otherwise specified, this Clause is made without prejudice and in addition to all the other provisions in this Agreement.
- 19.2 The Company may provide the Client with Electronic Services, and the Client hereby requests the provision of such services, upon the terms and conditions as embodied in this Agreement, as modified, amended or expanded by any notice, letter, publication or such other document as may be issued from time to time by the Company.
- 19.3 The Client may from time to time instruct the Company, acting as the Client's agent, to deposit, purchase and/or sell securities for the Account(s) or otherwise deal with securities, receivables or monies on behalf of the Client through the Electronic Services.
- 19.4 The Client agrees that the Client shall be the only authorized user of the Electronic Services under this Agreement. The Client shall be wholly and solely responsible for the confidentiality, security and use of the Access Codes issued to the Client by the Company.
- 19.5 The Client acknowledges and agrees that the Client shall be wholly and solely responsible for all Instructions entered through the Electronic Services. The Client further acknowledges that the Electronic Services, the Company's website, and the software comprised in them, are proprietary to the Company. The Client undertakes and warrants that the Client shall not, and shall not attempt to, tamper with, modify, decompile, reverse engineer, damage, destroy or otherwise

alter in any way, and shall not attempt to gain unauthorized access to, any part of the Electronic Services, the Company's website, and any of the software comprised in them. The Client agrees that the Company shall be entitled to close any or all of the Account(s) immediately without notice to the Client, and the Client acknowledges that the Company may take legal action against the Client, if the Client at any time breaches this warranty and undertaking or if the Company at any time reasonably suspects that the Client has breached the same. The Client undertakes to notify the Company immediately if the Client becomes aware that any of the actions described above in this paragraph is being perpetrated by any other person.

- 19.6 As and when the Company allows the Client to open an Account on-line with the Company, in addition to completing and returning this Agreement through the Internet, the Client agrees to return to the Company the hard copy of this Agreement (including the Account Opening Form, applicable Risk Disclosure Statement and any authority given by the Client to the Company with respect to the Account(s)) duly completed and executed.
- 19.7 Unless otherwise agreed between the Company and the Client, the Company will not execute any trading orders of the Client until there are sufficient cleared funds, securities or other assets acceptable to the Company in the Client's Account(s) to settle the Client's transactions and upon receipt of the documents as stated in Clause 19.6.
- 19.8 The Company will not be deemed to have received the Client's instructions or have executed the Client's orders unless and until the Client is in receipt of the Company's message acknowledging receipt or confirming execution of the Client's orders, either electronically or by hard copy.
- 19.9 The Client acknowledges and agrees that, as a condition of using the Electronic Services to give Instructions, the Client shall immediately notify the Company if:
 - 1991 an Instruction has been placed through the Electronic Services and the Client has not received an Instruction number or has not received an accurate acknowledgement of the Instruction or of its execution (whether by hard copy, electronic or verbal means);
 - 1992 the Client has received acknowledgement (whether by hard copy, electronic or verbal means) of a transaction which the Client did not instruct or any similar error;
 - 1993 the Client becomes aware of any of the acts stated in Clause 19.5 being done or attempted by any person;
 - 1994 the Client becomes aware of any unauthorized use of the Client's Access Codes;
 - 1995 the Client has difficulties with regard to the use of the Electronic Services; or

1996 the Client has lost the SIM Card.

- 19.10 The Client agrees to review every order before entering into it as it may not be possible to cancel the Instruction once given.
- 19.11 The Client agrees that the Company shall not be liable for any Losses to the Client or any other person that may suffer as a result of using or attempting to use the Electronic Services including but not limited to any Losses due to any system or software or hardware failure or any interruption or failure of communication lines or devices for any reasons, unless such Losses are caused by wilful default or gross negligence on the part of the Company. The Client further undertakes to indemnify the Company, on a full indemnity basis, for any Losses the Company may suffer as a result of the use of Electronic Services except to the extent that such Losses are outside the Client's control.
- 19.12 The Client acknowledges and agrees that if the mode of communication used by the Client in the course of the Electronic Services becomes temporarily unavailable, the Client can during such period continue to operate the relevant Account subject to the right of the Company to obtain such information regarding the verification of the Client's identity as it may from time to time think fit.
- 19.13 The Client acknowledges that Exchanges and certain associations may assert proprietary interests and rights over all market data they furnish to parties who disseminate such data and agrees not to do any act which would constitute any infringement or encroachment of such rights or interests. The Client also understands that the Company does not guarantee the timeliness, sequence, accuracy or completeness of market data or any market information (including any information provided to the Client through the Electronic Services). The Company shall not be liable in any way for any Losses arising from or caused by (1) any inaccuracy, error in or omission from any such data, information or message; (2) any delay in the transmission or delivery thereof; (3) any suspension or congestion in communication; (4) any unavailability or interruption of any such data, message or information whether due to any act of the Company; or (5) by any forces beyond the control of the Company.

20. RISK DISCLOSURE STATEMENTS

- 20.1 The Client acknowledges, understands and accepts the risks set out below.
- 20.1.1 The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities. This is a risk that the Client is prepared to accept.
- 20.1.2 GEM stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid. The Client acknowledges and understands that he should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a

market more suited to professional and other sophisticated investors. The Client acknowledges and understands that current information on GEM stocks may only be found on the internet website operated by SEHK. GEM companies are usually not required to issue paid announcements in gazetted newspapers. This sub-clause does not purport to disclose all the risks and other significant aspects of GEM. The Client understands and acknowledges that he should undertake his own research and study on the trading of securities on GEM before commencing any trading activities, and that he should seek independent professional advice if he is uncertain of or has not understood any aspect of this sub-clause or the nature and risks involved in trading of GEM stocks.

- 20.1.3 Client assets received or held by the Company outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the SFO and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.
- 20.1.4 There are risks in leaving securities in the custody of the Company, its associated entities or its agents. For example, if the Company is holding the Client's securities and becomes insolvent, the Client may experience significant delay in recovering securities. These are risks that the Client is prepared to accept.
- 20.1.5 There is a risk if the Client provides the Company with an authority that allows it to apply the Client's securities or securities collateral pursuant to a securities borrowing and lending agreement, repledge the Client's securities collateral for financial accommodation or deposit the Client's securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities. If the Client's securities or securities collateral are received or held by the Company in Hong Kong, the above arrangement is allowed only if the Client consents in writing. Moreover, unless the Client is a Professional Investor, the Client's authority must specify the period for which it is current and be limited to not more than twelve (12) months. If the Client is a Professional Investor, these restrictions do not apply.

Additionally, the Client's authority may be deemed to be renewed (i.e. without the Client's consent) if the Company issues the Client a reminder at least fourteen (14) days prior to the expiry of the authority, and the Client does not object to such deemed renewal before the expiry date of the then existing authority.

The Client is not required by any law to sign a Client Standing Authority. But an authority may be required by the Company, for example, to facilitate margin lending to the Client or to allow the Client's securities or

securities collateral to be loaned to or deposited as collateral with third parties. The Company should explain to the Client the purposes for which one of these authorities is to be used.

If the Client signs one of these authorities and the Client's securities or securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on the Client's securities or securities collateral. Although the Company is responsible to the Client for the Client's securities or securities collateral lent or deposited under the authority, a default by it could result in the loss of Client's securities or securities collateral.

A cash account not involving securities borrowing and lending is available from most licensed or registered persons. If the Client does not require margin facilities or does not wish his securities or securities collateral to be lent or pledged, the Client should not sign the above authorities and should ask to open this type of cash account.

- 20.1.6 The risk of loss in a financial transaction by deposit of collateral is significant. The Client may sustain losses in excess of the Client's cash and any other assets deposited as collateral with the Company. The Client understands that market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. The Client may be called upon at short notice to make additional Margin deposits or interest payments. The Client understands and accepts that if the required Margin deposits or interest payments are not made within the prescribed time, the Client's collateral may be liquidated without the Client's consent. Moreover, the Client will remain liable for any resulting deficit in his/their Account(s) and interest charged on his/their Account(s). The Client acknowledges that it should therefore carefully consider whether such a financing arrangement is suitable in light of his/their own financial position and investment objectives.
- 20.1.7 If the Company commits a default as defined in Part XII of the SFO and a qualifying client thereby suffers a pecuniary loss, the qualifying client shall have a right to claim under the compensation fund established under the SFO, subject to the terms of the compensation fund from time to time. The qualifying client's right to claim under the compensation fund shall be restricted to the extent provided for in the SFO and its rules and regulations.
- 20.1.8 If the Client undertakes transactions on an electronic trading system, he will be exposed to risks associated with the system including the failure of hardware and software, and that the result of any system failure may be that his order is either not executed according to the Instructions or is not executed at all.
- 20.1.9 Due to unpredictable traffic congestion and other reasons, electronic transmission may not be a reliable medium of communication, that

transactions conducted via electronic means are subject to delays in transmission and receipt of the Instructions or other information, delays in execution or execution of the Instructions at prices different from those prevailing at the time the Instructions were given, transmission interruption or blackout, that there are risks of misunderstanding or errors in communication, and that it is also usually not possible to cancel an Instruction after it has been given.

- 20.1.10 The Company does not provide "Hold Mail" services to its clients.
 - 20.1.11 The securities under the Nasdaq-Amex Pilot Program ("**PP**") are aimed at sophisticated investors. The Client understands and acknowledges that he should consult his dealer and become familiarized with the PP before trading in the PP securities and that he should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or GEM of SEHK.
- 20.2 In the event that the Client wishes to have transactions pursuant to this Agreement executed on Exchanges other than the SEHK, since such transactions will be subject to the rules and regulations of those Exchanges, and applicable local laws, and not those of the SEHK, the Client may have a markedly different level and type of protection in relation to those transactions compared to the level and type of protection afforded by the rules and regulations of the SEHK and Hong Kong law (and the Client acknowledges and recognizes, without limitation, that such transactions executed on exchanges other than the SEHK will not be subject to a right to claim under the compensation fund established under the SFO where the Client suffers a pecuniary loss).

21. COMPLIANCE WITH LAWS, ETC.

- 21.1 The Client shall not instruct the Company to do anything in relation to the Account(s) which is a breach of, or may breach or would involve or result in the Company, any Group Company or any other person being in breach of Applicable Laws and Regulations including the SFO, the Rules of the Exchange, the Codes on Takeovers and Mergers and Share Buy-backs or any other laws, rules or regulations in force or applicable to the conduct of the business of dealing in securities in Hong Kong or elsewhere or otherwise binding on the Company or any Group Company (whether or not having the force of law).
- 21.2 The Client acknowledges that he/they shall be solely responsible for compliance with all obligations of disclosure under the relevant provisions of Part XV of the SFO, the Codes on Takeovers and Mergers and Share Buy-backs, and any other applicable laws, rules or regulations relating to disclosure of interests in securities in Hong Kong or any other relevant countries, each as amended from time to time. The Company shall not be obliged to give notice of holdings to the Client in any form or by any time limit for such purpose save any notice or statement to be issued as expressly set out in this Agreement or as required by the applicable laws, regulations, by-laws and rules of the appropriate Exchanges

and/or Clearing Houses. The Client acknowledges that neither the Company nor any Group Company, their respective directors, officers or employees shall be liable for any Losses of the Client from any failure or delay by the Client or any other person to disclose in accordance with any such obligation nor any delay or default in notification to the Client as to the carrying into effect of instructions and shall indemnify the Company for any such Losses.

- 21.3 The Client undertakes to the Company that the Client will not engage or attempt to engage, and that the Client has proper safeguards in place to prevent the Client from engaging, in any activity which may constitute market misconduct under the SFO and further agrees to inform the Company immediately if the Client becomes aware of any activity by any person that may result in the Client being involved in market misconduct.
- 21.4 The Client agrees to provide to the Company and consents to the collection and processing by the Company of, any authorizations, waivers, forms, documentation and other information, relating to its status (or the status of its direct or indirect owners or accountholders) or otherwise required to be reported, under AEOI and FATCA. The Client further consents to the disclosure, transfer and reporting of Financial Account Information to any relevant government or taxing authority, any Group Company, any sub-contractors, agents, service providers or associates of the Company or Group Company, and any person making payments to the Company or any Group Company, to the extent that the Company reasonably determines that such disclosures, transfer or reporting is necessary or warranted to facilitate compliance with AEOI and FATCA. The Client warrants that each person whose AEOI or FATCA Information it provides (or has provided) to the Company has been notified of and agreed to, and has been given such other information as may be necessary to permit, the collection, processing, disclosure, transfer and reporting of their information as set out in this paragraph.
- 21.5 The Client acknowledges that the Company may take or refrain from taking any action the Company reasonably determines it is required by AEOI and FATCA to take or refrain from taking, including without limitation closing, transferring or blocking Account(s).
- 21.6 The Client agrees to provide all such information and documents as may be necessary to verify the Client's identity and do all such acts and things as may be necessary to enable the Company to comply with the Applicable Laws and Regulations, including but not limited to AEOI and FATCA. In particular, the Client:
- (a) undertakes to comply with all requests made by the Company for Financial Account Information (including the completion of a self-certification) to enable the Company to comply with its obligations pursuant to the Applicable Laws and Regulations, including but not limited to AEOI and FATCA;

- (b) undertakes to comply with all requests made by the Company to enable the Company to comply with its obligations, requirements or arrangements for disclosing or using Financial Account Information;
- (c) undertakes to inform the Company promptly in writing with required documentation (including a self-certification) if there are any changes in circumstances or any changes or additions (and in any event no later than 30 days from the date of the change or addition) to the Financial Account Information that may affect the tax residency status of the Client or, where the Client is an entity account holder, the identity and tax residency status of such Client's Controlling Person(s) or Substantial U.S. Owner(s) if applicable; and
- (d) expressly authorizes the Company to disclose the Financial Account Information to any relevant person including any tax authority as required under the Applicable Laws and Regulations (including but not limited to AEOI and FATCA) and acknowledges that the Financial Account Information may be reported to domestic and foreign tax authorities, including but not limited to the U.S. Internal Revenue Service and the Inland Revenue Department of Hong Kong which may exchange such information with the tax authorities of another jurisdiction(s) or jurisdiction(s) in which the Client or Controlling Person (if applicable) may be resident for tax purposes pursuant to the legal provisions for the exchange of Financial Account Information under the Inland Revenue Ordinance (Cap. 112), as amended from time to time, or other Applicable Laws and Regulations.

The Client agrees that the Company shall not be liable or responsible in anyway whatsoever and shall be held harmless against any Losses or withholding arising as a result of or in connection with any actions taken, or any inactions on the part of, by the Company in compliance with Applicable Laws and Regulations (including but not limited to AEOI and FATCA) or for any delay or failure to process any application or transaction if information and documents requested by the Company have not been promptly provided by the Client to the Company.

22. REPRESENTATIONS AND WARRANTIES

22.1 The Client hereby represents and warrants to the Company on a continuing basis that:

2211 (in case of a corporation) it is validly incorporated and existing under the laws of its country of incorporation and has full power and capacity to enter into and perform its obligations hereunder; its entry into this Agreement has been duly authorized by its governing body and is in accordance with the memorandum and articles of association or by-laws as the case may be of the Client;

2212 neither the signing, delivery or performance of this Agreement nor any Instructions given hereunder will contravene or constitute a default under

any existing applicable law, statute, ordinance, rule or regulation or judgment or cause to be exceeded any limit by which the Client or any of the Client's assets is bound;

- 2213 save as otherwise disclosed to the Company in writing, all transactions to be effected under this Agreement are for the benefit of the Client and no other party has any interest therein;

- 2215 the information contained in the Account Opening Form or other information supplied by or on behalf of the Client to the Company in connection with the Account(s) is complete, true and correct. The Company is entitled to rely on such information until written notice from the Client of any changes therein has been received by the Company, with notice of such change to be promptly provided to the Company (and in any event no later than 30 days from the date of the change);
- 2216 the Client understands the nature and suitability for its purposes of the types of transactions contemplated by the Agreement and the risks involved in them, and that it has sufficient experience to assess the suitability of such transactions;
- 2217 it is not a U.S. Person;
- 2218 it has not been nor does it anticipate or expect to be present in the United States for 183 or more days in aggregate during a calendar year or otherwise treated as resident in the United States for U.S. federal income tax purposes;
- 2219 it is not a United States person for U.S. federal income tax purposes;
- 221.10 the gains from its subscription, purchase, sale or other transactions carried out pursuant to the Account are not effectively connected or related to any U.S. Person or any US trade or business which the Client is engaged in or plans to engage in during the calendar year;
- 221.11 the securities are not being acquired or held beneficially by or for a U.S. Person, or in violation of any applicable law;
- 221.12 it acknowledges the Risk Disclosure Statements set out in this Agreement and fully understands and accepts the risks (including the risk of loss) described thereunder;
- 221.13 it is its independent judgment and decision without reliance on the Company or its employees to enter into any dealings in securities

("Transactions") and the Client fully understands the risks and consequences of his doing so and agree to bear all consequences of Transactions. The Company and its employees shall have no liability whatsoever in respect of the Client's entering into any or all of the Transactions;

- 221.14 it acknowledges that the Company may require further information from him or a third party on his financial standing and investment objectives or to verify the same and agrees to provide the same on request;
 - 221.15 it has full power and authority to enter into this Agreement and to exercise the Client's right and perform the Client's obligations hereunder; and
 - 221.16 all the representations and warranties made by the Client remain true and accurate at all times.
- 22.2 If the Client effects transactions for the account of its clients, whether on a discretionary or non-discretionary basis, and whether as agent or by entering into matching transactions as principal with any clients of the Client, the Client hereby agrees that, in relation to a transaction where the Company has received an enquiry from SEHK and/or SFC ("**Hong Kong Regulators**"), the following provisions shall apply:
- 2221 Subject to as provided below, the Client shall, immediately upon request by the Company (which request shall include the relevant contact details of the Hong Kong Regulators), inform the Hong Kong Regulators of the identity, address, occupation and contact details of the client for whose account the transaction was effected and (so far as known to the Client) of the person with the ultimate beneficial interest in the transaction. The Client shall also inform the Hong Kong Regulators of the identity, address, occupation and contact details of any third party (if different from the Client/the ultimate beneficiary) who originated the transaction.
 - 2222 (a) If the Client effected the transaction for a collective investment scheme, discretionary account or discretionary trust, the Client shall, immediately upon request by the Company (which request shall include the relevant contact details of the Hong Kong Regulators), inform the Hong Kong Regulators of the identity, address, occupation and contact details of the person(s) who, on behalf of the scheme, account or trust, instructed the Client to effect the transaction.
 - (b) If the Client effected the transaction for a collective investment scheme, discretionary account or discretionary trust, the Client shall, as soon as practicable, inform the Company when his discretion to invest on behalf of the scheme, account or trust has been overridden. In the case where the Client's investment discretion has been overridden, the Client shall immediately upon

request by the Company (which request shall include the relevant contact details of the Hong Kong Regulators), inform the Hong Kong Regulators of the identity, address, occupation and contact details of the person(s) who has or have given the instruction.

- (c) If the Client is a collective investment scheme, discretionary account or discretionary trust and in respect of a particular transaction the discretion of the Client or its officers or employees has been overridden, the Client shall, as soon as practicable, inform the Company when his discretion to invest on behalf of the beneficiary of such scheme, account or trust has been overridden. In case where the Client's investment discretion has been overridden, the Client shall, immediately upon request by the Company (which request shall include the relevant contact details of the Hong Kong Regulators), inform the Hong Kong Regulators of the identity, address, occupation and contact details of the person(s) who has or have given the instruction in relation to the relevant transaction.

2223 If the Client is aware that his client is acting as intermediary for its underlying client(s), and the Client does not know the identity, address, occupation and contact details of the underlying client for whom the transaction was effected, the Client confirms that:

- (a) the Client has arrangements in place with his client which entitle the Client to obtain the information set out in sub-clauses 22.2.1 and/or 22.2.2 from his client immediately upon request or procure that it be so obtained; and
- (b) the Client will, upon request from the Company in relation to a transaction, promptly request the information set out in sub-clauses 22.2.1 and/or 22.2.2 from his client on whose instructions the transaction was effected, and provide the information to the Hong Kong Regulators as soon as it is received from his client or procure that it be so provided.

2224 The above terms shall continue in effect notwithstanding the termination of this Agreement.

22.3 The Client undertakes to perform such acts, sign and execute all such agreements or documents whatsoever as may be required by the Company for the performance or implementation of this Agreement or any part thereof.

22.4 The Client must notify the Company when a sale order relates to securities which the Client does not own (short selling) (including where the Client has borrowed stock for the purposes of the sale).

22.5 The Client acknowledges and agrees that no short selling orders will be accepted by the Company unless the Client provides the Company with such

confirmation, documentary evidence and assurance as the Company in the Company's opinion considers necessary to show that the Client has a presently exercisable and unconditional right to vest such securities in the purchaser before placing any short selling order.

22.6 The Client agrees not to pledge or charge any securities or monies forming part of any Account(s) without the prior consent of the Company, or to sell, grant an option over, or otherwise deal in any securities or monies forming part of the Account(s).

22.7 This Clause 22.7 is applicable where the Client is not a Professional Investor as described under Clause 3.1.1 or Clause 3.1.2. The Company and the Client undertake to inform each other of any material change to the information provided in this Agreement. In particular, the Company and the Client agree that:

2271 the Company will notify the Client of any material change to its name, its business address, its licensing status, the nature of services provided by the Company to the Client under this Agreement, or any remuneration and the basis for payment payable by the Client to the Company; and

2272 the Client will notify the Company of any change of name and address and provide supporting documents as reasonably required by the Company.

23. AUTOMATED QUOTATIONS AND CONFIRMATIONS

23.1 The Client acknowledges that any quotes on the price of securities or other information provided via any automated quotation system (which may be operated by way of terminal or over the telephone or other tele-electronic means) maintained by the Company are provided by an independent third party, subject to a disclaimer by the Exchange to the following effect: "The Stock Exchange of Hong Kong Limited endeavours to ensure the accuracy and reliability of the information provided but does not guarantee its accuracy and accepts no liability (whether in tort or contract or otherwise) for any loss or damage arising from any inaccuracies or omissions". The Company is not responsible for the accuracy or completeness of such information.

23.2 All orders shall be executed at the then current market prices and the Company does not represent to the Client that any order will be executed at a price previously quoted to the Client by way of an automated quotation system or otherwise.

23.3 Any written confirmation sent out by the Company shall (save in the case of manifest error) be conclusive as to the price at which any particular order has been executed and shall be deemed to have been accepted by the Client if not objected to in writing by the Client within the period (if any) stipulated in such statement for this purpose. The Client acknowledges that any statement given over the telephone or other electronic means as to the status of the Account or any particular transaction is not binding on the Company.

24. LIABILITIES AND INDEMNITIES

- 24.1 To the extent not restricted under Applicable Laws and Regulations, neither the Company nor any of its directors, employees or agents shall have any liability whatsoever (whether in negligence or otherwise) for any Losses suffered by the Client as a result of:
- 24.1.1 the Company acting or relying on any instruction given by the Client whether or not such instruction was given following any recommendation, advice or opinion given by the Company or by any of its directors, employees or agents; or
 - 24.1.2 any condition or circumstances which are beyond the reasonable control or anticipation of the Company, its directors, officers, employees and agents, including but not limited to any delays in the transmission of orders due to disruption, breakdown, failure or malfunction of transmission of communication facilities, failure of electronic or mechanical equipment, telephone or other interconnection problems, prevailing fast market conditions, governmental agency or exchange actions, theft, war (whether declared or not), severe weather, earthquakes and strikes, unauthorized use of Access Codes; or
 - 24.1.3 the Company exercising any or all of its rights conferred by the terms of this Agreement; or
 - 24.1.4 any conversion of one currency to another pursuant to, in relation to or arising from this Agreement.
- 24.2 Without limiting the generality of Clause 24.1 above and to the extent not restricted under Applicable Laws and Regulations, neither the Company nor any of its directors, employees or agents shall have any liability whatsoever (whether in negligence or otherwise) for any Losses suffered by the Client arising out of or allegedly arising out of or in connection with any inconvenience, delay or loss of use of the Electronic Services or any delay or alleged delay in acting or any failure to act on any instruction given by the Client to the Company, even if the Company has been advised of the possibility of such Losses.
- 24.3 To the extent not restricted under Applicable Laws and Regulations, the Client undertakes to indemnify and keep indemnified the Company in respect of any Losses which may be reasonably and properly suffered or incurred by the Company directly or indirectly arising out of or in connection with any transaction entered into by the Company as agent on behalf of the Client or otherwise whatsoever or howsoever arising out of anything done or omitted to be done by the Company in accordance with the terms of this Agreement or pursuant to any Instruction or communication from or on behalf of the Client. The Client also agrees to pay promptly to the Company, on demand, all Losses (including legal fees and expenses on a full indemnity basis) reasonably and properly incurred by the Company in the enforcement of any of the provisions of this Agreement.

- 24.4 The Client undertakes to indemnify and keep indemnified the Company and its officers, employees and agents for any Losses arising out of or connected with any breach by the Client of its obligations hereunder, including any costs reasonably and necessarily incurred by the Company in collecting any debts due to the Company or in connection with the closure of the Account(s).
- 24.5 The above terms shall continue to take effect notwithstanding the termination of this Agreement.

25. FURTHER ASSURANCE

- 25.1 The Client hereby undertakes to the Company to do and/or execute any act, deed, document or thing which the Company shall require the Client to do in connection with the implementation, execution and enforcement of the agreement constituted by this Agreement, including without limitation the rights referred to in Clause 17, and the Client hereby constitutes the Company the lawful attorney of the Client to do or execute all such acts, deeds, documents or things on behalf of the Client as the Company considers necessary or desirable in connection with such implementation, execution and enforcement.
- 25.2 In the event of any conflict or discrepancy between this Agreement and (a) the terms of any other agreement subsisting from time to time between the Company and the Client or (b) the terms of any agreement between such Client and any other Group Company in respect of dealings in securities, this Agreement shall prevail.
- 25.3 In the event of any conflict or discrepancy between the Account Opening Form and these Terms and Conditions, these Terms and Conditions shall prevail. In the event of any conflict or discrepancy between these Terms and Conditions and any specific terms applicable to a specific product, service or transaction, the specific terms applicable to the relevant product, service or transaction shall prevail.
